

Pawsitively Speaking -- April 2008

Dear Friend,

There's lots going on at Pawsitive Results! Classes are filling up FAST this time of year, so be sure to sign up soon before there are no spaces left. I'm helping the Humane Society rehabilitate some sweet Pit Bulls, and I'm gearing up to give a seminar in California next month. But there's always time to squeeze in more doggie activities!

The Greater Columbia Obedience Club will hold its spring agility trial April 4 - 6 at the State Fairgrounds Abernathy Covered Horse Arena. Admission is free (only entered dogs are allowed). If you have a chance, check it out this weekend! It's a great spectator sport.

Give your dogs cookies from me!

Pet a Pit!

Some of the Pit Bulls taken by the Humane Society during a dog fighting ring investigation are now attending a special Pawsitive Results Family Manners class! WLTX-TV News was there the first night dogs attended, and you can [see the story](#) (click on the video icon).

Want to help? These dogs need extra socialization and help learning how to greet people nicely (which means not jumping up to kiss their faces!).

Who Can Volunteer: Pawsitive Results students who have completed a Family Manners class (Prescription Paws members are also welcome!). We need people only (not your dogs).

When & Where: Thursday, 8:30 p.m. on any of the following dates: April 3, April 10, April 17 or May 1. This class is at the West Columbia location.

What You'll Be Doing: Petting dogs, getting doggie kisses and giving treats. How fun is that?! (Officially, you'll be serving as friendly strangers who pet dogs when they sit nicely, distractions during stays, getting the dogs used to different people, etc.)

If you would like to volunteer, please [e-mail Teoti](#) with the dates you are available. She'll set up a schedule and send you further details. Thanks for helping us give these dogs a second chance!
